Tradename/Trademark Registration Instructions

The name of a business, product, label, logo, or form of advertisement, are some examples of items that may be registered with the Department of Financial Institutions. The registration is not required, but is a good way to notify the public of the use of a certain name or mark. Conduct a general internet search and our website <https://www.wdfi.org/apps/TrademarkSearch/Search.aspx> , to be sure that the name you intend to register is not already in use.

The filing fee is \$15 per Tradename/Trademark payable to WI Dept of Financial Institutions. The registration remains on record for 10 years and may be renewed before the 10 year time period has expired.

A registration may be "assigned" to another party during the 10 year period, using the assignment form http://wdfi.org/Apostilles_Notary_Public_and_Trademarks/forms_Trademark.htm

1. Check the appropriate box to indicate if this is a new registration or a renewal of an unexpired tradename/trademark.
